SOME NEW YEAR THOUGHTS.

The time to make new resolutions is all the time; a new year commences with every day of our lives.

The new year brings nothing new or different; life is reckoned not by the milestones of time but by breadth of experience and growth of character.

When you have seen a year, you have seen all—the show recurrences. Check up your balance sheet with life, not by the calendar but by your achievements.

He most lives, who thinks most, feels most, loves most, hopes most, achieves most, works most, reads most, understands most. The passing of the year is of no account chronologically in the history of the human soul. The child is often father of the man.—Boston Brown Book.

Taking Stock of One's Character.
A New Year's Suggestion.
From January Success.

Merchants take account of their stock at least once a year. Grocers must know if the canned goods are accumulating, while half the tea boxes are empty; dry goods merchants must list their muslins, merinos, silks and ribbons, to decide in what quantities to buy next time, so that the coming year may be more successful than the last one.

Whatever your business may be, your character—your personality—is your chief stock in trade. Did you ever take stock of your character? How do you know you are not carrying an over-supply of qualities that are not only dead stock, but also tend to lessen your success-receipts?

Oddly enough, in this kind of stock-taking, you never have the problem of getting rid of undesirable goods by "reduced-price sales." Just by increasing the success-qualities, you get rid of their opposites, the failure-quali-

ties. Industry leaves no room for idleness, aimlessness shrinks from sight when purpose enters, disobedience vanishes the moment obedience is practiced, and hate has no place in a heart of love.

A merchant can't improve the quality of his stock by simply saying, "I am going to have a better stock next year." He must attend to details, and count and calculate. It is just so with your character. You must know what your virtues and your vices are, and act accordingly. A man considers himself as a whole, and deludes himself into thinking that he is a pretty fine fellow. General good intentions may actually be hindrances to practical character development.

Franklin found this out in 1733. Here is a passage from his "Autobiography":

"It was about this time I conceived the bold and arduous project of arriving at moral perfection. I wished to live without committing any fault at any time, and to conquer all that either natural inclination, custom, or company might lead me into. As I knew or thought I knew, what was right and wrong, I did not see why I might not always do the one and avoid the other. But I soon found I had undertaken a task of more difficulty than I had imagined. While my attention was taken up and employed in guarding against one fault, I was often surprised by another; habit took advantage of inattention; inclination was sometimes too strong for reason. I concluded at length, that the mere speculative conviction that it is our interest to be completely virtuous is not sufficient to prevent our slippings; and that the contrary habits must be broken, and good ones acquired and established, before we can have any dependence on a steady, uniform rectitude of conduct."

He then set down, each with an appropriate precept, the thirteen virtues that he considered necessary to a perfect man, as follows: temperance, silence, order, resolution, frugality, industry, sincerity, justice, moderation, cleanliness,

THE HOME GOLD CURE

An Ingenious Treatment by which Drunkards are Being Cured Daily In Spite of Themselves.

No Noxious Doses. No Weakening of the Nerves. A Pleasant and Positive Cure for the Liquor Habit.

It is now generally known and understood that Drunkenness is a disease and not weakness. A body, filled with poison, and nerves completely shattered by periodical or constant use of intoxicating liquors, requires an antidote capable of neutralizing and eradicating this poison, and destroying the craving for intoxicants. Sufferers may now cure themselves at home with absolute safety and loss of time from business by this wonderful "HOME GOLD CURE" which has been perfected after many years of close study and treatment of insobriety. This faithful use according to directions of this wonderful discovery is positively guaranteed to cure the most obstinate case, no matter how hard a drinker. Our records show the marvelous transformation of thousands of drunkards into sober, industrious and upright men.

WIVES CURE YOUR HUSBANDS! CHILDREN CURE YOUR FATHERS! This remedy is in no sense a nostrum but is a specific for this disease only, and is so skillfully devised and prepared that it is thoroughly soluble and pleasant to the taste, so that it can be given in a cup of tea or coffee without the knowledge of the person taking it. Thousands of Drunkards have cured themselves with this priceless remedy, and as many more have been cured and made temperate men by having the "cure" administered by loving friends and relatives without their knowledge in coffee and tea, and believe today that they discontinued drinking of their own free will. DO NOT WAIT. Do not be deluded by apparent and misleading "improvement." Drive a disease at once and for all time. The "HOME GOLD CURE" is sold at the extremely low price of One Dollar, thus placing within reach of everybody a treatment more effective than others costing \$25-\$50. REMARKABLE CASE OF CROUP. A Little Boy's Life Saved.

I have a few words to say regarding Chamblin's cough remedy. It saved my little boy's life and I feel that I cannot praise it enough. I bought a bottle of it from A. E. Stevens of Goodwin, S. D., and when I got home with it the poor baby could hardly breathe. I gave the medicine as directed over ten minutes until he "threw up," and then I thought sure he was going to choke to death. We had to pull the phlegm out of his mouth in great long strings. I am positive that if I had not got that bottle of cough medicine, my boy would not be with us today.—JOHN DEMONT, Inwood, Iowa. For sale by Webb Drug & Hdw. Co.

Plots Way to Live Long.

The startling announcement of a discovery that will surely lengthen life is made by editor O. H. Donaghy, of Charubusco, Ind. "I wish to state," he writes, "that Dr. King's New Discovery for consumption is the most infallible remedy that I have ever known for coughs, colds and grip. It's invaluable to people with weak lungs. Having this wonderful medicine no one need dread pneumonia or consumption. Its relief is instant and cure certain." Webb Bros. guarantee every bottle, and \$1 bottle, and give trial bottles free.

She Wants It Published.

Gosch's Mexican Syrup has given perfect satisfaction in my family, and I want to recommend it to everyone as the best remedy for coughs, colds, and all lung troubles. A young lady in my employ, who had been forced to quit work and who had been given up to die by her friends with consumption, has by the use of Gosch's Mexican Syrup been restored to health, and is now at work earning her living and enjoying good health. She wants me to publish this as it may be the means of saving the life of some other consumptive. R. M. FLEMING, Piqua, O. Gosch's Mexican Syrup cures a simple cough as if by magic, and is the best remedy for whooping cough. Price 25cts.

A Profitable Investment.

"I was troubled for about seven years with a stomachache and in bed half my time," says E. Demick, Somerville, Ind. "I spent about \$1,000 and never could get anything to help me until I tried Kodol Dyspepsia cure. I have taken a few bottles and am entirely well." "You don't live by what you eat, but what you digest and assimilate. If your stomach doesn't digest your food you are really starving. Kodol Dyspepsia cure does the stomach's work by digesting the food. You don't have to diet. Eat all you want. Kodol dyspepsia cures all stomach troubles. E. I. LAUDERBAUGH.

Heds Should Never Ache.

Never endure this trouble. Use at once the remedy that stopped it for Mrs. N. A. Webster, of Winona, Va., who writes "Dr. King's New Life Pills wholly cured me of sick headaches I had suffered from for 15 years." "I can head ache, constipation, biliousness. See at Webb Bros drug store."

In pulmonary trouble, the direct action of BALLARD'S HOMEBORED SYRUP upon the throat, chest and lungs, immediately arrests the malady, by relieving the distress, cutting the phlegm and freeing the vocal and breathing organs. Price 25cts. and 50cts. E. I. LAUDERBAUGH.

Don't Live Together.

Constipation and health never go together. DeWitt's Little Early Risers promote easy action of the bowels without distress. "I have been troubled with cost for nine years," says J. O. Green Depauw Indiana. "I have tried many remedies but Little Early Risers give best results." E. I. LAUDERBAUGH.

Nothing Else So Sure.

Mothers who give their little ones Mother's Worm Syrup give them the nicest tasting and most effective worm medicine made.

A WORTHY SUCCESSOR

Something New Under the Sun.

All doctors have tried to cure CATARRH by the use of powders, acid gases, inhalers and drugs in paste form. Their powders dry up the mucous membranes causing them to crack open and bleed. The powerful acids used in the inhalers have entirely eaten away the same membranes that their makers have aimed to cure, while pastes and ointments cannot reach the disease. An old and experienced practitioner who has for many years made a close study and specialty of the treatment of CATARRH, has at last perfected a treatment which when faithfully used, not only relieves at once but permanently cures CATARRH, by removing the cause, stopping the discharges, and curing all inflammation. It is the only medicine known to science that actually reaches the afflicted parts. This wonderful remedy is known as "SNUFFLES" the GUARANTEED CATARRH CURE and is sold at the extremely low price of One Dollar, each package containing internal and external medicine sufficient for a full month's treatment and everything necessary to its perfect use.

"SNUFFLES" is the only perfect CATARRH CURE ever made and is now recognized as the only safe and positive cure for that annoying and disgusting disease. It cures all inflammation quickly and permanently and is also wonderfully quick to relieve HAY FEVER or COLD IN HEAD.

CATARRH when neglected often leads to CONSUMPTION—"SNUFFLES" will save you if you use it at once. It is no ordinary remedy, but a complete treatment which is positively guaranteed to cure CATARRH in any form or stage if used according to the directions which accompany each package. Don't delay but send for it at once, and write full particulars as to your condition, and you will receive special advice from the discoverer of this wonderful remedy regarding your case without cost to you beyond the regular price of "SNUFFLES" the "GUARANTEED CATARRH CURE."

Sent prepaid the United States or Canada on receipt of One Dollar. Address Dept. 1 EDWIN B. GILES & COMPANY, 2331 and 2332 Market Street, Philadelphia.

A Good Recommendation.

"I have noticed that the sale on Chamblin's Stomach & Liver Tablets is almost invariably to those who have once used them," says Mr. J. H. Weber, a prominent druggist of Casco, Iowa. "What better recommendation could any medicine have than for people to call for it when again in need of such a remedy? I try them when you feel dull after eating, when you have a bad taste in your mouth, feel bilious, have no appetite or when troubled with constipation, and you are certain to be delighted with the prompt relief which they afford. For sale by Webb Drug & Hdw. Co."

Child Worth Millions.

The little ones like the taste and remember how often it helped them. Every family should have a bottle of One Minute cough cure handy. At this season especially it may be needed suddenly. E. I.
